Immigration

Immigration is the international movement of people to a destination country of which they are not natives or where they do not possess citizenship in order to settle as permanent residents or naturalized citizens.

Historically, the process of immigration has been of great social, economic, and cultural benefit to states. The immigration experience is long and varied and has in many cases resulted in the development of multicultural societies.

Al Jamil Tours is an expert immigration consultancy. We are known as visa consultants who provide successful immigration services.

Ticketings

A visa is an official document that allows the bearer to legally enter a foreign country. The visa is usually stamped or glued into the bearer's passport. There are several different types of visas, each of which afford the bearer different rights in the host country.

Visa

For more details, please contact us below:

Al Jamil Tours deals in varied types of visas ranging from work visa, education visa to travel visas, etc.

As a visa applicant, you will need to establish that you meet all requirements to receive the category of visa for which you are applying.

A visa (from the Latin charta visa, meaning "paper that has to be seen") is a conditional authorization granted by a polity to a foreigner that allows them to enter, remain within, or to leave its territory. Visas typically include limits on the duration of the foreigner's stay, areas within the country they may enter, the dates they may enter, the number of permitted visits, or if the individual has the ability to work in the country in question.

Manpower

For more details, please contact us below:

Al Jamil Tours has been a one stop solution for people looking for jobs in the Arab countries. We help personnel like plumbers, electricians, guards, tailors, barbers, etc. to move to Saudi Arab countries, Jordan and get a better opportunity in their field. We have developed this platform as the means to be a connector for the skilled personnel and the employer in the Arab countries.

Human resources is the set of people who make up the workforce of an organization, business sector, industry, or economy. A narrower concept is human capital, the knowledge and skills which the individuals command. Similar terms include manpower, labor, personnel, associates or simply:

The Process Involved

- Filtration Videos sent by the candidates are viewed carefully by our teammates and screening is done to find out the best candidates out of the whole lot.
- Final Selection
- The candidates selected via the video round undergo another level where the company who is to hire arrange for either a physical interview or a telephonic conversation as per their choice. The contact details and videos of the candidates are shared with the company in advance by us.
- Office Visit
- Once the candidate is finalised to be appointed, he/she is called to our office to clarify the terms and conditions of appointment and other details. We do mention that no fee or charges are levied on the candidate and if someone tries to take any money from them in the name of Visa or medical or travel, then they must inform us first.
